

Grease and Waste Digestor

UNIQUE ORGANIC MULTI ENZYME FORMULA

- Works naturally to help break down waste and grease by improving grease trap performance & ELIMINATING ODOURS
- Safely cleans clogged and problem drains, including floor drains, beverage tower drains, urinals and commodes
- Multi enzyme formula ensures the breaking down of all the organic matter in a grease trap from FOG'S, to starch to sugars without affecting natural bacteria in the sewer system
- Will not generate heat or corrode plumbing
- A more sustainable cleaner as enzymes are readily biodegradable
- Energy-efficient product, ensuring the elimination of odours deep into the drain pipe and opening up drain lines ensuring free flow.

NO PALM OIL * NO AMMONIA * NO CHLORINE

FOR USE IN: FOOD MANUFACTURERS, RESTAURANTS, AGED CARE, STADIUMS, SCHOOLS, SHOWERS, PUBLIC TOILETS, PUBS...

What is the Safer Choice label?

Finding products that are safer for you, your family, and the environment should be easy which is why the EPA created the Safer Choice label. It helps you identify products with safer chemical ingredients, without sacrificing quality or performance. Products with the Safer Choice label have been evaluated by EPA scientists allowing only the safest ingredients. (www.epa.gov/saferchoice)
