## Komodo® Mechanic's Glove

### Driving Australia's Best Workshops.

A **genuine** mechanic's glove made to impress as an established product in the premium Komodo® range.

The **Komodo®** mechanic's glove, is precisely just that but we've mastered the details - a glove designed to enhance any mechanical experience with the perfect balance of toughness, durability, comfort, feel, dexterity and fingertip sensitivity.

An **honest** all-day glove that will see you through the gears and won't slow you down, it's oil & fuel resistant too!

#### Benefits

- Textured Sandy Grip for a loyal grip even on wet or greasy surfaces.
- Luxury fabrics, comfort and fitment with ease of donning and doffing.
- Fine quality fabrics used inside and on back of hand for breathability, overall comfort and ease of hand movement.
- Hand moves with the glove, no "hand slip".
- Double dipped, unaffected by oil, fuel and even battery acid.
- Washable and reusable.
- Chemically resistant nitrile coating.
- Extended all-day wear.
- Fingertip sensitivity.
- Extended cuff.

<b>Part No.</b>	S 630201 / M 630202 L 630203 / XL 630204 XXL 630205
<b>Packaging</b>	1 Pair/2 Gloves 1 Case/120 Pairs
<b>Colours</b>	Black/Grey

## Komodo® Gripster® Cut 3

### Multi Industry, Heavy Duty.

A **proudly** affordable, quality heavy duty glove that protects and provides excellent hand safety.

The **unique**, long-lasting, sandy grip gives meaning to the name Gripster®, a cut 3 glove resilient to the 4 mechanical stresses; abrasion, cut, tear & puncture, proving worthy of the confident Komodo® dragon logo.

#### Benefits

- Textured Sandy Grip for a loyal grip even on wet or greasy surfaces.
- Hand moves with the glove, no "hand slip"
- Washable and reusable.
- Moderate heat protection.
- Chemically resistant Nitrile coating.

<b>Part No.</b>	S 620501 / M 620502 L 620503 / XL 620504 XXL 620505
<b>Packaging</b>	1 Pair/2 Gloves 1 Case/120 Pairs
<b>Colours</b>	Black/Yellow

## Komodo® Gripster® Cut 5

### Serious Cut 5 Safety.

**Made** for those who need a glove built for maximum durability and safety in the harshest of; abrasive, cut, tear & puncture environments, an overall strength that earns this glove the confident Komodo® dragon logo.

No safety consideration is overlooked when constructing these exceptionally tough, grippy gloves.

**Proudly** the most affordable cut 5 glove, fit for glass, industrial metals, serious construction and much more!

#### Benefits

- Textured Sandy Grip for a loyal grip even on wet or greasy surfaces.
- Serious Cut 5 safety.
- Fly knife cut protection.
- Hand moves with the glove, no "hand slip"
- Washable & reusable.
- Moderate heat protection.
- Chemically resistant Nitrile coating.

<b>Packaging</b>	1 Pair/2 Gloves 1 Case/120 Pairs
<b>Colours</b>	Black/Red

### When things get heated. BlueHeat® keeps you cool.

**BlueHeat®** is your best way to 'beat the heat'. This is a lightweight heat tested glove that can withstand temperature affected items up to 150°C.

**The** glove is made from comfortable, cool cotton and void filled, coated and dipped latex to produce a super wrinkle finish that minimises the contact surface area of the glove on high temperature items.

**Tested** to EN 407 class 2 to level 3 for contact heat.

\*not suitable for welding, or any open flame.

#### Benefits

- Resists 150°C - Level 3.
- Super Wrinkle grip pattern & heat reduction.
- Tested to EN 407 - contact heat level 3.
- Fully washable.
- Lightweight & cool to wear.

# Silverlined.

## Silverlined Natural Rubber Gloves with loads of diamond grip.

The highest raised texture/grip of any glove available over 280um of textured grip. The fingers are raised a further 90um to 370um for an even greater grip sensation.

That's almost 1/2mm of grip on each side!

The Glove Company's Silverlined gloves have a genuine "Silverline" coating on the inside of the glove to enable the user to wear the glove multiple times without a sticking rubber feel and to facilitate the wearing of the gloves for extended periods with the minimum of discomfort.

### Benefits

- Super tough Silverlined natural rubber glove.
- 370um of diamond grip.
- Cost saving with Ambidex enhanced design.
- FDA Food compliant.
- Vacuum sealed & sanitized packaging.
- *Save with Ambidex™*
- Also available in Unlined.

<b>Part No.</b>	<b>Yellow - S 420501 / M 420502 L 420503 / XL 420504 XXL 420505</b>
	<b>Blue - S 420401 / M 420402 L 420403 / XL 420404 XXL 420405</b>
<b>Packaging</b>	Pair/2 Gloves, Bulk/24 Gloves
<b>Colours</b>	Yellow or Blue

## Dispensers

## Leave no box behind!

Not with a Glove Company 1,3 and 4 tier custom spring loaded glove dispenser!

No matter the size of your glove box or whose brand of glove is in there (not that you would want any other brand), a TGC® glove dispenser will hold every last one of them!

The whole finish is powder coated in white and even comes with 4 Stainless steel mounting screws, and plugs to mount to the wall.

<b>Part No.</b>	<b>1 Tier 390001 / 3 Tier 390003 4 Tier 390004</b>
<b>Size</b>	1 Tier (Holds 1 Box) 3 Tier (Holds 3 Boxes) 4 Tier (Holds 4 Boxes)
<b>Colours</b>	White

### Benefits

- Looks neat with a gloss white coating, stainless steel spring & branded mounting plate.
- Includes easy-to-use mounting hardware.
- Wall mountable for ease-of-reach.
- Available to hold 1 to 4 boxes.
- Made to fit boxes of all shapes and sizes.
- Spring loaded to push gloves to the front of the box, no digging around for the last few pairs.
