SURVEILLANCE CAMERA SIGNS

These signs provide a highly visible warning to thieves, shoplifters, criminals and vandals - an ideal deterrent for all areas of your facility. Use in areas where covert cameras are not easily visible. They form an integral part of your security system whilst reassuring customers, visitors and employees. Choose from three materials to suit your specific requirements; self-adhesive vinyl, polypropylene or metal.

HEIGHT INDICATOR TAPE

Tape is designed to adhere to or near the door of your establishment, so you can determine the approximate height of an individual as they enter or leave. Black and white version has a white reflective background with black numbers and is made from high quality, durable vinyl. Tape is applied 120cm (4ft) from the bottom of door frame, covers 120cm (4ft) to 330cm (7ft). Use the coloured bar style when you need to see a person's height fast. Ideal for service stations, reception areas or banks. Made from self adhesive non-reflective vinyl.

EXPIRING VISITOR SIGN-IN SYSTEM

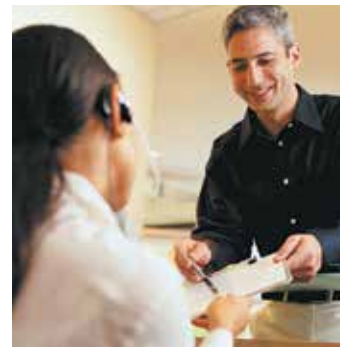

The Expiring Visitor Sign-in system simplifies your security control. Expiring badges, logsheet and clipboard create a complete system to help you keep track of visitors, vendors and customers. Adhesive badges are aligned with logsheet on clipboard so information is transferred right into your records. Features one-day expiring timespot that adheres to badge and expires in 24 hours. Use multiple clipboards for different departments or multiple sign-in points. 50.8mm x 76.2mm badges are printed 12 per log sheet. System includes one package of 25 badge sheets (300 badges), one package of 25 carbon-backed logsheets (300 individual logs) and one clipboard.

863207

863209

i Logsheets and badges are also sold separately for replenishment in packs of 25 sheets (300 badges or records). V-spots available in packs of 300 total.

CUSTOM LANYARDS

ORDER IN 5 EASY STEPS!

1. SELECT YOUR LACE TYPE:

TWILL LACE

The twill lace is ideal for printing of intricate logos and designs with a non-stretch lace.

LUXE LACE

The luxe lace is a luxurious lace. Made of micro-fibre nylon, the luxe lace is the ideal choice with its dazzling effect.

WOVEN LACE

The woven lace is a flat tubular shoelace style lanyard. Its herringbone weave offers a soft fabric feel which is very comfortable around the neck.

PRESTIGE LACE

The prestige lace has a ribbon-like feel. This lace is ideal for organisations looking to promote their corporate identity with the dual-colour lace option.

SECURITY

2. SELECT YOUR WIDTH:

13mm

15mm

20mm

25mm

3. SELECT YOUR LACE COLOUR:

Choose from our standard range of lace colours or we can PMS colour match to maintain your corporate identity.

4. SELECT YOUR IMPRINT TEXT COLOUR:

We can match your print colours to any PMS colour to maintain your organisations corporate identity.

5. ADD YOUR ATTACHMENT:

Swivel J Hook

Superior Swivel Clip

Alligator Clip

Split Ring

Breakaway Clip
