

Enzyme Wizard has a range of natural Enzyme-based cleaning products for the home, commercial and hospitality markets.

Our products are designed to reduce cleaning time and getting results where other products have failed. The magic of Enzymes creates products that are not only environmentally friendly but also outperform chemical cleaners.

Enzyme Wizard is committed to providing our customers with effective products that are environmentally responsible. We are continually looking for ways to limit our environmental impact through our enzyme based cleaners.

- **pH Neutral**
- **Septic Safe**
- **Non-Toxic**
- **No Chlorine**
- **Biodegradable**
- **Made from Renewable Ingredients**
- **Unique Multi-Enzyme Formula**
- **Safe for use around Humans and Animals**
- **Continuous cleaning action**

#### **Soap-free Cleaning**

No residue is left behind. Soap residue generates static electricity that attracts dirt.

#### **Unique Multi-Enzyme Formula**

Breaks down grime and dirt into simple compounds that allow them to integrate back into nature.

#### **Our values**

We only use ingredients and processes that are safe for all living organisms and have not been tested on animals. Our products contribute to a healthier home and office environment through innovation.
