

## SAFETY DATA SHEET

| Section 1:             | Identification                  |                     |   |
|------------------------|---------------------------------|---------------------|---|
| Product Name:          | Enzyme Wizard Urinal Deodoriser | NFPA                |   |
| Product Code:          | EWUD5L                          |                     |   |
| Recommended Use:       | Cleaning of Urine odours        |                     |   |
| Manufacturer:          | Enzyme Wizard Pty. Ltd          |                     |   |
|                        | 7 Phoenix Court, Braeside       |                     |   |
|                        | VIC 3195                        |                     |   |
| Telephone #:           | 03-8555 4844                    | HMIS                |   |
| FAX #:                 | 03-9547 1111                    | Health Hazard       | 1 |
| Website:               | www.enzymewizard.com.au         | Fire Hazard         | 0 |
| Issue Date:            | 1st September 2017              | Reactivity          | 0 |
| Date of Last Revision: | 1st September 2017              | Personal Protection | А |

Section 2:

## Hazard(s) Identification

GHS Pictogram:

| Signal Word:            | WARNING  |
|-------------------------|--|
| Hazard Statement:       | May cause skin and eye irritation.                                       |
| Precautionary Statement | s: P264 - Wash hands and exposed areas thoroughly after handling.        |
|                         | P280 - Wear eye protection, protective gloves.                           |
|                         | P302+P352 - IF ON SKIN: Wash with plenty of water.                       |
|                         | P305+P351 - IF IN EYES: Rinse cautiously with water for several minutes. |

| Section 3: Composition / Information on Ingredients |   |                               |
|---|---|-------------------------------|
| Name  | CAS No.                                     | % by weight                   |
| Water   | 7732-18-5                                   | 80-85                         |
| Enzyme Blend  | Trade Secret                                | 1.0 - 10                      |
| Alcohol Ethoxylate                                  | 68439-46-3                                  | 1.0 - 10                      |
| Frgrance  | Trade Secret                                | 0.5                           |
| Inorganic salts                                     |   | <1                            |
| Insoluble Matter                                    |   | <1                            |
| Section 4:  | First Aid Measures                          |                               |
| Eye Contact:  | Immediately flush with cool water for at lo | east 20 minutes. Seek medical |

attention if irritation persists.Skin Contact:Immediately wash skin with soap and water for at least 20 minutes while

removing contaminated clothing. Seek medical attention if irritation persists.

Ingestion:Do NOT induce vomiting. Drink cool water. Call a physician or poison<br/>control center. Never give anything by mouth to an unconscious person.

Inhalation: Move victim to fresh air. Seek medical attention immediately.

You should call The Poisons Information Centre if you feel that you have been poisoned, burned or irritated by this product. The number is 13 1126 from anywhere in Australia and is available at all times. Have this SDS with you when you call.

| Section 5:                             | Fire Fighting Measures  |
|--|---|
| Extinguishing Media:                   | Use extinguishing measures appropriate to local circumstances and surrounding environment.  |
| Flash Point:                           | Not applicable.   |
| Auto Ignition<br>Temperature:          | Not applicable.   |
| Specific hazards:                      | Not flammable or combustible.   |
| Special protective equipment:          | As in any fire, wear a self-contained breathing apparatus (SCBA), approved according to NFPA / NIOSH or equivalent and full protective gear.  |
| Section 6:                             | Accidental Release Measures   |
| Personal Precautions:<br>Environmental | Keep personnel from entering spill area.  |
| Precautions:                           | Avoid runoff into storm sewers, ditches and waterways.  |
| Methods for<br>Containment:            | Contain spills with an inert absorbent material, (sand, earth, vermiculite) and place in container for disposal according to local and national regulations.  |
| Methods for Cleanup:                   | Flush away traces with water and clean with mop or rags.  |
| Section 7:                             | Handling and Storage  |
| Handling:                              | Use with adequate ventilation. Avoid breathing vapors, spray, or mist.  |
| Storage:                               | Store in a cool dry place. Keep partially used containers closed and away from heat and humidity. Do not exceed storage temperature of (50 $^{\circ}$ C) 120 $^{\circ}$ F. Keep out of reach of children. |
| Section 8:                             | <b>Exposure Controls / Personal Protection</b>  |
| Engineering Controls:                  | Good general ventilation should be sufficient.  |
| Eye Protection:                        | Safety glasses are recommended but not required.  |
| Skin Protection:                       | Gloves are recommended for prolonged exposure but not required.   |
| Respiratory Protection:                | Use an approved respirator if exposure limits are exceeded.   |
| Hygiene Measures:                      | Handle in accordance with good industrial hygiene and safety practice.  |
| Section 9:                             | Physical and Chemical Properties  |
| Appearance:                            | Light Brown Viscous liquid  |

| Color:  | Brown  |
|---|--|
|   |  |
| Odor:   | Vanilla  |
| pH:   | between 3 and 8  |
| Specific Gravity:   | 1.0 - 1.08 @ 25°C  |
| Freezing Point:   | Not determined.  |
| Boiling Point:  | >100 °C (>212 °F)  |
| Flash Point:  | Not determined.  |
| Water Solubility:   | Completely soluble.  |
| Vapor Density:  | Not determined.  |
| Vapor Pressure:   | As for water   |
| Evaporation Rate:   | Not determined.  |
| Section 10:   | Stability and Reactivity   |
| Chemical Stability:   | Stable under normal conditions.  |
| Hazardous Reactions:  | None known.  |
| Conditions to Avoid:  | Extreme heat.  |
| In a sum still a Matariala.   | None known.  |
| Incompatible Materials:   | None Known.  |
| Section 11:   | Toxicological Information  |
| -   |  |
| Section 11:<br>Likely Routes of   | Toxicological Information  |
| Section 11:<br>Likely Routes of<br>Exposure:  | Toxicological Information  |
| Section 11:<br>Likely Routes of<br>Exposure:<br>Potential Health Effects:   | Toxicological Information Inhalation, eye contact and skin contact.  |
| Section 11:<br>Likely Routes of<br>Exposure:<br>Potential Health Effects:<br>Eyes:  | Toxicological Information         Inhalation, eye contact and skin contact.         Health injuries are not known or expected under normal use.  |
| Section 11:<br>Likely Routes of<br>Exposure:<br>Potential Health Effects:<br>Eyes:<br>Skin:   | Toxicological Information         Inhalation, eye contact and skin contact.         Health injuries are not known or expected under normal use.         Health injuries are not known or expected under normal use.  |
| Section 11:<br>Likely Routes of<br>Exposure:<br>Potential Health Effects:<br>Eyes:<br>Skin:<br>Inhalation:  | Toxicological Information         Inhalation, eye contact and skin contact.         Health injuries are not known or expected under normal use.         Health injuries are not known or expected under normal use.         May cause allergic respiratory reaction.   |
| Section 11:<br>Likely Routes of<br>Exposure:<br>Potential Health Effects:<br>Eyes:<br>Skin:<br>Inhalation:<br>Chronic Exposure:   | Toxicological Information         Inhalation, eye contact and skin contact.         Health injuries are not known or expected under normal use.         Health injuries are not known or expected under normal use.         May cause allergic respiratory reaction.         Health injuries are not known or expected under normal use.   |
| Section 11:<br>Likely Routes of<br>Exposure:<br>Potential Health Effects:<br>Eyes:<br>Skin:<br>Inhalation:<br>Chronic Exposure:<br>Section 12:                                      | Toxicological Information         Inhalation, eye contact and skin contact.         Health injuries are not known or expected under normal use.         Health injuries are not known or expected under normal use.         May cause allergic respiratory reaction.         Health injuries are not known or expected under normal use.         Ecological Information  |
| Section 11:<br>Likely Routes of<br>Exposure:<br>Potential Health Effects:<br>Eyes:<br>Skin:<br>Inhalation:<br>Chronic Exposure:<br>Section 12:<br>Ecotoxicity:                      | Toxicological Information         Inhalation, eye contact and skin contact.         Health injuries are not known or expected under normal use.         Health injuries are not known or expected under normal use.         May cause allergic respiratory reaction.         Health injuries are not known or expected under normal use.         May cause allergic respiratory reaction.         Health injuries are not known or expected under normal use.         Mot determined.  |
| Section 11:<br>Likely Routes of<br>Exposure:<br>Potential Health Effects:<br>Eyes:<br>Skin:<br>Inhalation:<br>Chronic Exposure:<br>Section 12:<br>Ecotoxicity:<br>Biodegradability: | Toxicological Information         Inhalation, eye contact and skin contact.         Health injuries are not known or expected under normal use.         Health injuries are not known or expected under normal use.         May cause allergic respiratory reaction.         Health injuries are not known or expected under normal use.         More cause allergic respiratory reaction.         Health injuries are not known or expected under normal use.         Ecological Information         Not determined.         82% in 14 days |
